Hello big hooman, not that I care but how are meow today?

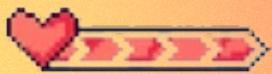

I'm doing great!

um.. could be better

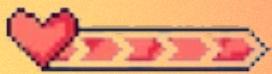

not so good myself :<

hmm i see i see... here's a gift  
to make you feel better

## Basic Plant Pot

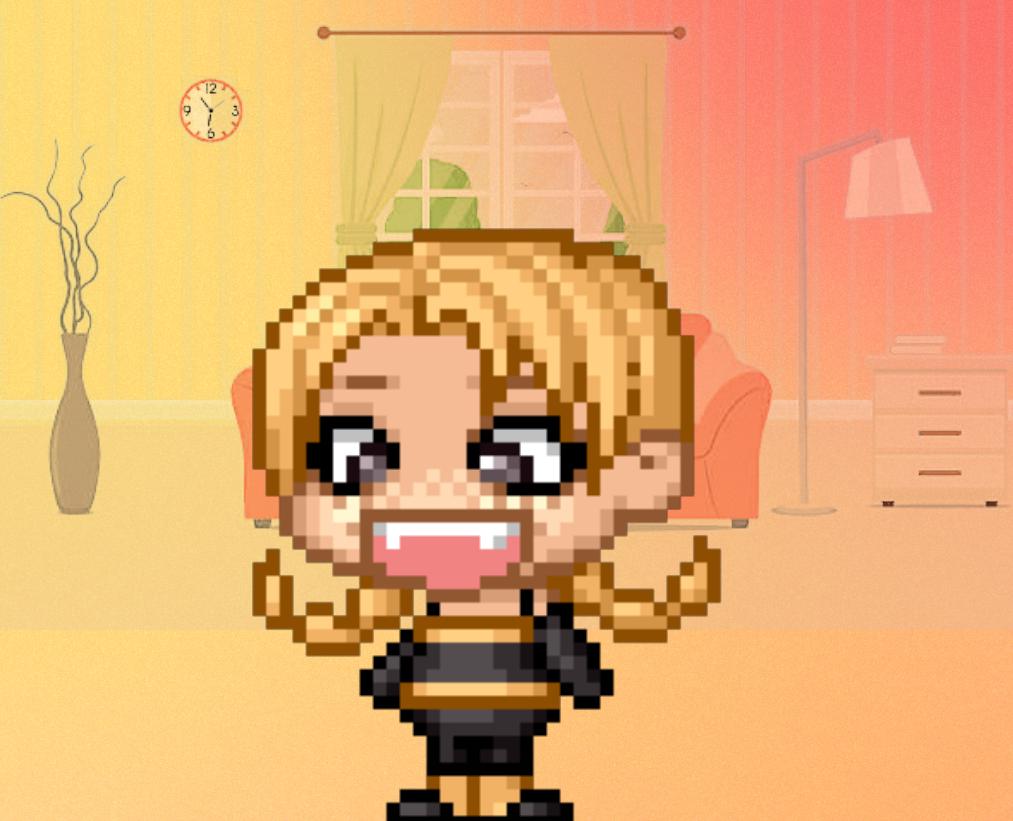

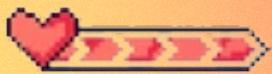

lvl. 1

**Redeem**

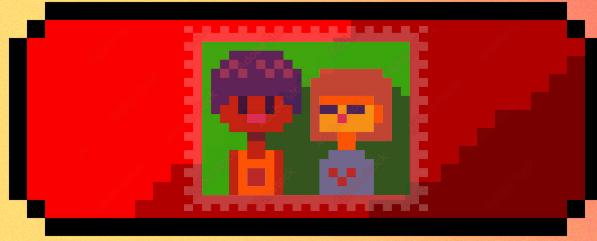

Taking care of a living thing gives most hooman a sense of responsibility which reduce stress.... or so i heard

so here's how this work ...  
you have 4 kinds of tasks

## Social

ya know.. with your friends and such.. if you even have friends

## Nutrition

only proper meals and hydration counts! you can't survive on iced coffee alone!!

## Sleep

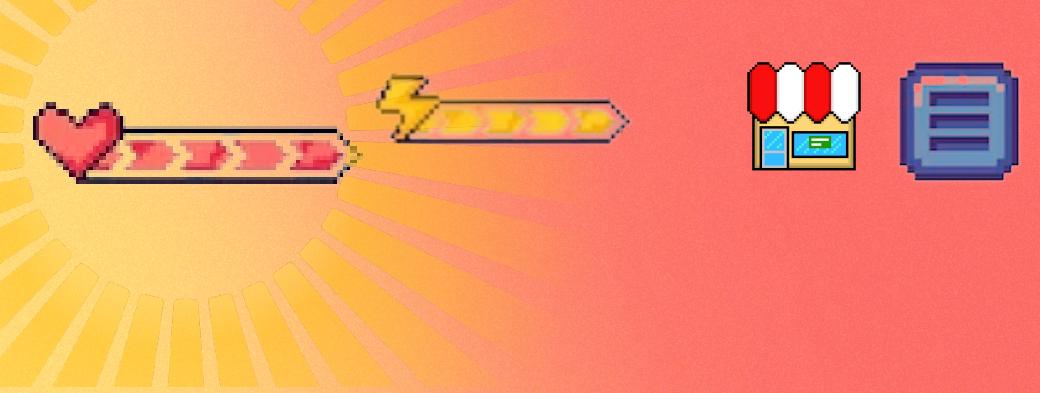

unfortunately, you are not one of the Cullens...

## Hygiene

umm.. do i even need to explain?

Touching grass every now and then is pretty nice too ya know.. just saying...
